Air conditioning, Deck Jacuzzi, Gym/exercise equipment, Stabilisers at anchor, Stabilisers underway, WiFi connection on board

Rosetti Superyachts' highly awaited first explorer yacht has arrived; EMOCEAN. 38m in length, 410 gross tonnage, a 9m beam and a 5,000 nm range and only 60l/hr fuel consumption are just some of the remarkable credentials that make her a true ocean-faring, eco-friendly superyacht, capable of extended voyages in total comfort and luxury.

Emocean's ultra-modern exterior and sleek lines were conceived by Italian design house Hydrotech. Her impressive deck space of 350 sqm, awe-inspiring layout and floor to

ceiling windows throughout, give this yacht provide the perfect balance between indoor and outdoor living.

Emocean's interior is incredibly spacious for a yacht of her size. Significant care has been taken in the interior, both in terms of style and sustainability ecologically. The pure hues of the furnishings are complemented by light and dark oak with bold, turquoise-coloured embellishments to enhance the natural interior. In the main salon, the sofas are custom built with different heights to avoid obstructing the natural light streaming through the floor to ceiling windows, while recycled ocean plastic fabrics and rugs have been used instead of traditional animal products such as leather finishings or fur throws. Her formal dining area seats 12 and has full opening doors to enhance the feel of space and from where you can admire the 150-bottle crystal wine cellar.

EMOCEAN offers spacious accommodation for twelve comprising a full beam master suite located forward on the main deck and complete with an owner's office, a private fixed balcony and his and hers en-suite bathroom. Two double cabins and two twin cabins with pullman, are located on the lower deck and all have en-suite bathrooms. The two twin cabins can be easily converted into double cabins for added versatility.

The sky lounge on the bridge deck boasts large windows, a bar and 75" screen with home theatre, perfect for cinema nights or
